

### Handout 2.4: Reframing Activity

Problem Statement	Reframed Statement
1. He whines from the moment he arrives until the time he gets on the bus to go home	<i>He must really miss his family.</i>
2. She is clingy with her mother.	<i>She might be slow to warm up in new settings.</i>
3. I have to watch him like a hawk or he'll run out the door and down the hall.	<i>He may not understand the expectations about staying with the group. He may be not be engaged enough with what is going on in the classroom.</i>
4. She constantly knocks over other children's block constructions or destroys other children's artwork.	<i>Maybe she is frustrated because she does not know how to work with those materials She may be interested in other's play, but not know how to join it.</i>
